County of Los Angeles

500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**WASTE TIRE AMNESTY DAYS PROGRAM
ALL SUPERVISORIAL DISTRICTS
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that this contract work is exempt from the provisions of the California Environmental Quality Act (CEQA).
2. Award and delegate authority to the Director of Public Works to execute this contract for "Waste Tire Amnesty Days Program" to The Peterson Group, Inc., located in Newport Beach, California. This contract will be for a period of two years, commencing upon Board approval, the Director's execution of this contract, and Public Works' issuance of the Notice to Proceed, with two 1-year renewal options, not to exceed a total contract period of four years.
3. Delegate authority to the Director of Public Works to renew this contract for the two 1-year renewal options, if, in the opinion of the Director, renewal is warranted, or to terminate this contract, if, in the opinion of the Director, it would be in the best interest of the County to do so.
4. Authorize the contractor to proceed with the work in accordance with the contract's specifications, terms, conditions, and requirements.

5. Authorize Public Works to encumber an amount not to exceed \$293,766, representing the contractor's price to perform the requested services during this contract's initial two-year period, plus an additional \$146,883 for each 1-year renewal option period. Funds for this contract's first year of the initial two-year period are available in the 2003-04 Solid Waste Management Fund.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

In July 2002, your Board awarded a contract to provide waste tire recycling program management services, including promoting and conducting ten waste tire collection events and actively seeking sponsorships and partnerships. Five events were completed prior to an abrupt termination of the contract due to unrelated factors outside of Public Works' control. This recommended action is to award a contract to continue to provide the waste tire recycling program management services.

Implementation of Strategic Plan Goals

This action is consistent with the County's Strategic Plan Goals of Service Excellence, Organizational Effectiveness, and Children and Families' Well-Being. This contract will improve internal operations through the utilization of the contractor's expertise to provide these services to the public in a timely and effective manner, as well as improve the quality of life in the County.

FISCAL IMPACT/FINANCING

This contract is for an amount not to exceed \$293,766 for the initial two-year period of the contract, plus an additional \$146,883 for each 1-year renewal option period. Should additional work be required that exceeds the amount authorized, approval of additional funds will be sought.

This contract will commence upon Board approval, the Director's execution of the contract, and Public Works' issuance of the Notice to Proceed, and continue for a period of two years. With the Board's delegated authority, the Director may renew this contract for the two 1-year renewal options for a total contract period not to exceed four years. In any event, this contract may be canceled or terminated at any time by the Director, without cause, upon the giving of at least 30 days' written notice to the contractor.

Funds for the first year of this contract's initial two-year period are included in the 2003-04 Solid Waste Management Fund. Funds to finance the additional years will be made available through Public Works' annual budget process. There will be no impact on net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Prior to the Director executing this contract which will substantially be reflected in Enclosure A, the contractor will execute and County Counsel will review it as to form.

Public Works has evaluated and determined that the Living Wage Program (Los Angeles County Code Chapter 2.201) does not apply to this recommended contract which is for non-Proposition A services, as the service is required on a part-time and intermittent basis.

ENVIRONMENTAL DOCUMENTATION

With respect to requirements of the CEQA, these waste tire recycling program management services are categorically exempt as specified in Class 1(c) and (d) of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, Synopsis 57.

CONTRACTING PROCESS

On September 3, 2003, Public Works solicited proposals from 566 independent contractors and community business organizations to accomplish this work. Also, a notice of proposal availability was placed on the County's bid website (Enclosure B) and an advertisement was placed in the Los Angeles Times.

On October 6, 2003, three proposals were received. The proposals were first reviewed to ensure they met the mandatory requirements as outlined in the Request for Proposals (RFP). Having met these requirements, they were then evaluated by an evaluation committee consisting of Public Works staff. The committee's evaluation was based on criteria described in the RFP which included proposed price, proposer's experience, experience of proposer's staff, work plan and approach, and proposer capability. Based on this evaluation, Public Works is recommending that a contract for this work be awarded to The Peterson Group, Inc., located in Newport Beach, California, who was found to be the most responsive and responsible proposer.

Enclosure C reflects the proposers' minority participation. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

This contract contains Board-approved contract terms and conditions regarding current and new employee notification of the Federal-earned income tax credit, agreement to maximize to the extent possible the use of recycled-content paper products, contractor responsibility and debarment, jury service requirements, no payment for services received after contract expiration or termination, and the Safely Surrendered Baby Law.

The Honorable Board of Supervisors
November 6, 2003
Page 4

Public Works has confirmed that the Child Support Services Department has received the contractor's Principal Owner Information Form in compliance with the Los Angeles County Code Chapter 2.200 (Child Support Compliance Program).

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

As requested by your Board, the contractor has submitted a safety record which reflects that activities conducted by the contractor in the past have been according to reasonable standards of safety.

In accordance with the Chief Administrative Officer's June 15, 2001, instructions, this is Public Works' assurance that this contractor will not be required to perform services which will exceed this contract's approved amount, scope of work, and/or terms.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract will not result in the displacement of any County employees, as this service has been contracted with the private sector.

CONCLUSION

One approved copy of this letter is requested.

Respectfully submitted,

JAMES A. NOYES
Director of Public Works

PART I

SPECIFICATIONS AND CONDITIONS FOR WASTE TIRE AMNESTY DAYS PROGRAM

SECTION 1

WORK REQUIRED/PROPOSAL SUBMISSION

A. Background

Approximately ten million waste tires are generated annually Countywide. Public Works collects thousands of illegally-dumped waste tires from public right of ways each year. These waste tires are not only viewed as urban and rural blight, but can pose a serious threat to public health and safety, as well as the environment.

Many waste tires are disposed in landfills, further reducing the County's disposal capacity. However, waste tires can be used as fuel, retreaded, or recycled into crumb rubber (shredded granulated rubber particles) for producing various manufactured goods and for road paving.

In efforts to help deter illegal dumping, to preserve the life of our landfills, and to assist the County in complying with State waste diversion requirements, Public Works initiated the Integrated Waste Tire Management Program (Program) which includes conducting free waste tire collection events and conducting outreach on proper waste tire management.

In July 2002, the County awarded a contract to promote and conduct ten waste tire collection events. Five events were completed prior to an abrupt termination of the contract due to unrelated factors outside of Public Works' control. Public Works is looking to continue this successful Program as set forth in this Request for Proposals (RFP).

B. Work Required

Proposers are requested to provide a Proposal for services in the form described in the following Sections and Attachments. Proposers are instructed to carefully read these Terms, Requirements, Specifications, Conditions, and Attachments.

1. Work Overview

Public Works is the lead agency in advising the Board on waste management issues and implementing waste diversion programs in the County. In this capacity, Public Works implemented the Program that includes: 1) conducting a series of waste tire collection events for residents to recycle their waste tires free of charge; 2) developing

and implementing an extensive public outreach campaign to promote the events; and 3) pursuing sponsorship and partnership opportunities with the private and public sectors. The implementation of this Contract will continue this Program and thereby assist the County in achieving the following goals:

- Reduce the number of waste tires disposed in landfills.
- Provide additional locations for residents to recycle their waste tires properly.
- Educate residents on waste tire management issues.
- Reduce the illegal dumping of waste tires.
- Stimulate the waste tire recycling market.
- Encourage other governmental agencies to begin a similar program.

Under this Contract, the Contractor shall:

- a. Prepare and implement a Collection Events Plan describing how to organize, publicize, and conduct ten waste tire collection events throughout Los Angeles County and how to secure sponsorships and partnerships.
- b. Prepare Location Detail Packages presenting detailed plans for each event.
- c. Promote and conduct ten waste tire collection events, and recycle the tires collected.
- d. Prepare Collection Event Reports presenting an assessment of each event.
- e. Seek and secure sponsorships and partnerships to enhance the Program.
- f. Meet monthly with Public Works to discuss program status and prepare minutes.
- g. Prepare a Final Report that summarizes and analyzes all work conducted under this Contract.

Work to be accomplished under these Specifications shall include all labor, supervision, materials, services, and equipment necessary for the development and completion of all items in this Contract. Plans and schedules required for any phase of this Contract shall include a detailed itemization of

tasks and proposed work products, and include the Contractor's associated proposed itemized charges. These proposed itemized charges are subject to review and approval by the Project Manager.

C. Proposal Format and Contents

Proposals shall be submitted in the sequence, with the content, and according to the format stated below. Failure to provide the required information or comply with these guidelines may be a basis for rejection of the Proposal. Include the following in the order listed:

1. Title page which indicates the Proposer's name, project title, and date of submission.
2. Comprehensive Table of Contents for material included in the Proposal.
3. Introductory letter (optional).
4. A comprehensive description of the Proposer's capabilities, in sufficient detail and scope to provide for a meaningful evaluation, comparison, and assessment. The narrative should discuss each of the following subject areas, with emphasis on how the Proposer measures up to the evaluation criteria (see Part I, Section 3.G, Evaluation Criteria):
 - Background and experience
 - Organization
 - Principals (include resumes if available)
 - Key staff (include resumes if available)
5. Work Plan that describes the staffing plan, schedules, procedures, techniques, and methods that will be employed in meeting the objectives outlined in Section 2, Scope of Work. These may include personnel management, training, subcontracting, recruitment and replacement, supervision, supplies, equipment, uniforms, identification badges, safety, communications, and quality control.
6. Forms List

Complete and submit the following forms, which are included in the RFP package:

- Schedule of Prices (Part I, Section 6);

Subcontractors, if any, shall be subject to all requirements set forth in the RFP that are applicable to contractors in general. If subcontractors are to be employed, you must submit a statement of their proposed assignments, qualifications, experience, staffing, and schedules. In addition to this statement, the following forms must be completed and submitted for each subcontractor contemplated:

- Contractor's Industrial Safety Record;

Statements should include the company's assets, liabilities and net worth. At a minimum, statements must include a balance sheet (statement of financial position), income statement (statement of operations), and retained earnings statement. Financial records will not be held confidential unless they are properly designated as trade secrets in accordance with Part II, Section 2.0, Disclosure of Contents of Proposals.
 9. Submit copies of the Proposer's licenses and certifications required to perform the work, if any.
 10. Submit proof of current, valid insurance coverage that meets the RFP requirements or a statement acknowledging that the required insurance coverage will be provided prior to commencing work under the contract.
 11. Additional data and material not specifically requested for evaluation, but which the Proposer feels is essential, must appear in the last section. If there is no additional data the Proposer wishes to present, this section will consist of the statement: "There is no additional data we wish to present."

D. Proposal Submission

1. Proposals shall be submitted with four complete copies (one original and three copies) of the Proposal and any accompanying documents. Proposals received after the closing date and time will be rejected by Public Works as nonresponsive.
2. Submit Proposals to the County of Los Angeles Department of Public Works' Lobby Cashier, 900 South Fremont Avenue, Alhambra, California 91803, in a package which clearly identifies this RFP and the name of the Proposer. Proposals will be officially received by Public Works only when accepted and time stamped by the Lobby Cashier.

It is the responsibility of the Proposer to instruct delivery services, such as United Parcel Service and Federal Express, to deliver Proposals directly to the Lobby Cashier. Proposals not delivered to the Lobby Cashier may be delayed in being officially time stamped by the Lobby Cashier and may miss the Proposal submission deadline. While Proposals received at Public Works' Mail Center through the United States Postal Service will be forwarded to the Lobby Cashier as quickly as possible, the Mail Center will not time stamp proposals. Public Works will not be responsible for any delays or missed deadlines for proposals that are not delivered directly to the Lobby Cashier.

E. GAIN/GROW Program

As a threshold requirement for consideration for contract award, Proposers shall demonstrate a proven record of hiring participants in the County's Department of Public Social Services' Greater Avenue for Independence (GAIN) or General Relief Opportunity for Work (GROW) Programs or shall attest to a willingness to consider GAIN/GROW participants for any future employment opening if they meet the minimum qualifications for that opening. (see Forms List, Part I, Section 1.C.6). Additionally, Proposer shall attest to a willingness to provide employed GAIN/GROW participants access to Proposer's employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities. Proposers who are unable to meet this requirement shall not be considered for contract award

F. Child Support Compliance Program

Proposers must certify in accordance with the provisions of Section 2.200.060 of the County Code that: 1) the Principal Owner Information Form and the Child Support Compliance Program Certification Form has been appropriately completed and provided to the Child Support Services Department with respect to the Proposer's Principal Owners (see Forms List, Part I, Section 1.C.6); 2) the Proposer has fully complied with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and 3) the Proposer has fully complied with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignments and continues to maintain compliance. Such certification must be submitted on the Child Support Compliance Program Certification (see Forms List). Failure by the Proposer to provide the Principal Owner Information Form to the Child

Support Services Department will be grounds for a finding by the County that the Proposal is nonresponsive.

G. Jury Service Program

1. The resultant contract from this RFP will be subject to the requirements of the County's Contractor Employee Jury Service Ordinance (Jury Service Program, Los Angeles County Code, Chapter 2.203). Proposers should carefully read the pertinent jury service provisions in Part II, Section 3.V. The Jury Service Program applies to both contractors and their subcontractors. Proposals that fail to comply with the requirements of the Jury Service Program will be considered nonresponsive and excluded from further consideration.
2. The Jury Service Program requires contractors and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a contractor and "full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a contractor's full-time California employees, even those not working specifically on the County project.
3. There are two ways in which a contractor might not be subject to the Jury Service Program. The first is if the contractor does not fall within the Jury Service Program's definition of "contractor." The Program defines "contractor" to mean a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to contractors that have: 1) ten

or fewer employees; and, 2) annual gross revenues in the preceding 12 months which, if added to the annual amount of this contract is less than \$500,000; and, 3) is not an "affiliate or subsidiary of a business dominant in its field of operation." The second exception applies to contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

4. If a contractor does not fall within the Jury Service Program's definition of "contractor" or if it meets any of the exceptions to the Jury Service Program, then the contractor must so indicate in the Certification Form and Application for Exception (see Forms List, Part I, Section 1.C.6) and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the contractor's application, the County will determine, in its sole discretion, whether the contractor falls within the definition of "contractor" or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

H. Local Small Business Enterprise Preference Program

In evaluating proposals, the County will give preference to businesses that are certified by the County as a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204 of the Los Angeles County Code. Proposers who wish to be considered for this preference should do so using the attachment entitled Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form (see Forms List, Part I, Section 1.C.6, above). A Certified Local SBE is a business: 1) certified by the State of California as a small business enterprise; 2) having its principal office currently located in Los Angeles County for a period of at least the past 12 months; and 3) certified by the Office of Affirmative Action and Compliance as meeting the requirements set forth in 1 and 2 above. Certified Local SBEs must request the SBE Preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification affirmed. County must verify Local SBE certification prior to applying the preference. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.

Information about the State's small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources Website at <http://www.pd.dgs.ca.gov/smbus/default>.

You can obtain further information on certification from the County Website at www.oaac.co.la.ca.us/sbemain.html or by calling (213) 974-0912.

I. Vendor Registration

Proposers must register online with the County's Web-based vendor registration system to facilitate the contract award process. Registration is accessible through the "Doing Business With Us" link on the County's Internet Home Page at www.lacounty.info.

Equipment must be approved by the Project Manager for eligibility to be invoiced by the Contractor for payment by Public Works.

In the case that Public Works has determined that the equipment from the previous contract is re-usable, then Public Works retains the right to provide the equipment and delete this Part I, Section E.2.a, Event Equipment, except for individual approved items and their costs as necessary. In any case, the Contractor shall be responsible for storage of the equipment and storage costs during this Contract. Equipment becomes the property of Public Works when invoiced by the Contractor and paid by Public Works.

Each regular event will require two to three roll-off bins and each Antelope Valley event will require an average of approximately six roll-off bins per collection site for a total of 30 roll-off bins. A. Award of Contract

The County reserves the right to award the Contract to the Proposer whose Proposal provides the most beneficial program and price, with all other factors considered. The awardee shall sign and return this Contract, together with copies of the required insurance certification, within 14 days after notification by Public Works of intent to recommend award of this Contract to the Board.

B. Final Contract Award by Board

Notwithstanding a recommendation of a department, agency, individual, or other, the Board retains the right to exercise its judgment concerning the selection of a Proposal and the terms of any resultant agreement, and to determine which Proposal best serves the interest of the County. The Board is the ultimate decision making body and makes the final determinations necessary to arrive at a decision to award, or not award, a Contract.

C. Legal Status of Contractor's Personnel at Facility

Contractor warrants that it fully complies with all laws regarding employment of aliens and others, and that all of its employees performing services hereunder meets the citizenship or alien status requirements contained in Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (PL. 99-603). Contractor shall retain such documentation for all covered employees for the period prescribed by law. Contractor shall indemnify, defend, and hold harmless, the County, its officers and employees from employer sanctions and any other liability which may be assessed against Contractor or County or both in connection with any alleged violation of Federal statutes or regulations pertaining to the eligibility for employment of persons performing services under this Contract.

D. County Lobbyists

Each County lobbyist, as defined in the Los Angeles County Code Section 2.160.010, retained by Proposer submitting a response to this RFP or Contractor awarded this Contract shall be in full compliance with Chapter 2.160 of the Los Angeles County Code. The Proposer's/Contractor's signature on the Proposal/Contract is its certification that it is in full compliance with Chapter 2.160. Failure on the part of any County lobbyist retained by Proposer/Contractor to fully comply with the County Lobbyist Ordinance shall be sufficient cause for rejection of the Proposal or shall constitute a material breach of this Contract upon which the County may immediately terminate or suspend this Contract.

E. Evaluation of Proposals

All responses to this RFP become the property of the County. The proposed Contract will be submitted to the Board for consideration and possible approval.

The County may require whatever evidence it deems necessary relative to the Proposer's financial stability. Proposers' financial statements and other portions of the Proposal may be reviewed by the Public Works financial staff in order to assist the evaluators.

The County reserves the sole right to judge the Proposer's written and oral representations. The County may make onsite inspections of Proposer's current jobs.

Public Works may, at its option, invite some or all of the Proposers to make a presentation and participate in an interview before a final selection is made.

F. Evaluation Criteria

The evaluation criteria to be used in the selection process will include, but are not limited to the following considerations:

1. Proposals will first be reviewed on a Pass/Fail basis. Proposals not meeting all of these requirements will be rejected as nonresponsive:
 - a. Proposal was time stamped by the Cashier prior to the deadline for submission of the Proposal.

- b. Proposer's Safety Record which reflects that the Proposer has provided services in a safe manner.
 - c. Proposer shows an ability to meet insurance requirements.
 - d. Proposer has met the GAIN/GROW requirements.
 - e. Proposer has submitted to the Child Support Services Department the Principal Owner Information and Child Support Compliance Program Forms.
 - f. Proposer has submitted the Jury Service Program Certification Form and Application for Exception stating that it accepts and will comply with the program requirements or establishing its entitlement to an exception to the program.
 - g. Proposer has signed all appropriate forms and Part I, Section 6, Schedule of Prices.
 - h. Proposer is signed in as attending the Proposers' Conference.
2. Proposals passing the first step will be evaluated based on the following:

a. Proposed Price (25 points)

The proposed price should accurately reflect the Proposer's cost of providing the required services and any profit expected during the two year Contract term. The lowest Grand Total Proposed Price quoted in the Schedule of Prices (Part I, Section 6), will receive the full weight of this evaluated item (25 points). Other Proposals will receive a prorated score calculated as follows: divide the lowest Grand Total Proposed Price by each other Proposers' Grand Total Proposed Price and multiply the result by the maximum possible points for this evaluation criterion (25 points). However, the Proposal with the lowest Grand Total Proposed Price may not necessarily be awarded a contract.

In addition, should one or more of the Proposers request and be granted the Local SBE Preference, the price component points will be determined as follows:

Five percent (5%) of the lowest price proposed will be calculated, which shall not exceed \$50,000, and that amount will be deducted from the price submitted by all Local SBE Proposers who requested and were granted the Local SBE Preference.

b. Proposer's Experience (20 points)

The evaluators may award a maximum of 20 points for Proposer's prior experience in successfully conducting relevant educational outreach in the field of solid waste management and successfully conducting waste tire collection events. Greater weight will be given to services provided to agencies of similar size and nature. The evaluators may consider the Proposer's description of its capabilities, resumes of key personnel (Part I, Section 1.C.4), and any other relevant information. Significant unacceptable weakness in quality or quantity of experience may result in a low or zero score. A score of zero in this evaluation category is unacceptable and may result in rejection of the Proposal.

c. Experience of Proposer's Staff (15 points)

The evaluators may award a maximum of 15 points for the quality and quantity of experience of the Proposer's and subcontractors' personnel in performing similar duties on similar projects. Relevant experience including hauling, disposal, and recycling of waste tires; conducting public outreach; and obtaining sponsors. This criterion addresses the experience of the personnel proposed to work on the contract, whereas Part I, Section 3.G.2.b, Proposer's Experience, above, relates to the experience of the Proposer as an organization. The evaluators may consider the Proposer's and subcontractor's personnel description of their capabilities, resumes of key personnel (Part I, Section 1.C.4), and any other relevant information. Significant unacceptable weakness in quality or quantity of experience may result in a low or zero score. A score of zero in this evaluation category is unacceptable and may result in rejection of the Proposal.

d. Work Plan and Approach (20 points)

The evaluators will assign up to 20 points based on the extent to which the Proposal submitted meets the scope of work requirements for all tasks. Greater weight will be given to proposals that demonstrate creativity and innovation that is beyond the scope of work.

The evaluation committee may make this determination from all relevant information presented, which may include but is not limited to Proposer's Work Plan of Action (Part I, Section 1.C.5) comprised of Proposer's staffing plan and programs for personnel management, training, subcontracting, recruitment and replacement, supervision, supplies, equipment, uniforms, identification, safety, communications, and quality control.

Significant unacceptable weakness in any of the Work Plan subject areas may result in a low or zero score. A score of zero in this evaluation category is unacceptable and may result in rejection of the Proposal.

e. Proposer Capability (20 points)

1. Financial Resources (5 points)

Proposer's financial statements will be evaluated on the extent to which the statements demonstrate that the Proposer has financial and business stability ensuring it can perform the work throughout the term of the Contract. The evaluation committee may consult with Public Works financial management staff regarding this evaluation category. Financial statements or annual reports that are incomplete or unaudited (compiled, reviewed, or self-prepared) may be given less weight. A score of zero in this evaluation category may result in rejection of the Proposal.

2. References (15 points)

Public Works will check at least three of the Proposer's references for overall satisfaction

with Proposer's services, with priority given to services provided to Public Works and other County departments. One or more unfavorable references may result in rejection of the Proposal.

G. Contract Negotiation

After a Proposer has been selected by the County, Public Works and the Proposer may negotiate a contract for submission to the Board for consideration and possible approval. A Contract based upon this RFP, any written responses to the Proposers' written questions, any negotiated documents, and the selected Proposal submitted will be negotiated and prepared. If a satisfactory agreement on the final Contract terms cannot be negotiated, Public Works may, at its sole discretion, begin contract negotiation with other responsible and qualified Proposers and terminate negotiation with the previously selected Proposer.

SECTION 2

GENERAL PROPOSAL REQUIREMENTS AND CONDITIONS

A. Knowledge of Work to be Done

By submitting a Proposal, Proposers will be held (1) to have carefully read the solicitation document and all attachments, (2) to have satisfied themselves as to their ability to meet all of the difficulties attending the execution of the proposed work before the delivery of their Proposal, and (3) agree that if awarded this Contract, no claim will be made against the County based on ignorance or misunderstanding of the solicitation document.

B. Withdrawal of Proposals

Proposers may withdraw their Proposal anytime before the date and hour set for submission upon presentation of a written request to the Director signed by an authorized representative of the Proposer or by the person filing the Proposal.

C. Invalid Proposals

It is the sole responsibility of the Proposer to see that its Proposal is properly received by Public Works before the submission deadline. Proposers shall bear all risks associated with private delivery services or with delays in the U.S. Mail.

Proposals submitted by telegram and those which are not clocked in at Public Works' Headquarters Lobby Cashier before the date and hour set for receipt of the same will not be considered and will be returned to the Proposer unopened.

D. Altering Solicitation Document

The wording of the solicitation document shall not be changed. Any additions, conditions, limitations, or provisions inserted by the Proposer shall render their Proposal irregular and may cause its rejection.

E. Term of Proposals

All Proposals shall be firm offers and may not be withdrawn for a period of 120 days following the last day to accept Proposals.

F. Acceptance or Rejection of Proposals

The right is reserved to reject any or all Proposals not suitable in the judgment of the Board/Director to be in the best interests of the County/Public Works. In the event of any such rejection, the County will not be liable for any costs incurred in connection with the preparation and submittal of a Proposal.

Proposals signed by an agent other than an officer of a corporation or a member of a general co-partnership, must be submitted with a power of attorney authorizing such signature; otherwise, the Proposal will be rejected as irregular and unauthorized.

No Proposal will be considered unless the Proposer submits a Proposal for all requested items. If the solicitation document contains multi-Proposal requests, no Proposal will be considered unless the Proposer submits a price on all items within each category, though the Proposer may not be required to submit a price on all the categories.

G. Qualification of Proposer

No award will be made to any Proposer who cannot give satisfactory assurance as to its ability to carry out this Contract, based both on financial strength and experience as a contractor on work of the nature contemplated in the proposed Contract. Proposers are encouraged to submit records of work of similar nature, size, or extent to that proposed under these Specifications. A reasonable inquiry to determine the responsibility of a Proposer will be conducted. The unreasonable failure of a Proposer to promptly supply information in connection with such inquiry, including, but not limited to information regarding past performance, financial stability, and ability to perform on schedule, may be grounds for a determination of nonresponsibility with respect to such Proposer. Unfamiliarity with the type of work required by Public Works may be sufficient cause for rejection of the Proposal.

H. Proposer's Safety Record

A review of the Proposer's safety record will be made before the award. Proposers are required to submit this information, with their Proposal, on the Contractor's Industrial Safety Record form provided. Nonsubmission or an adverse finding as to the Proposer's safety record may be sufficient cause for rejection of the Proposal.

I. Proposer's License Requirements

Proposers shall be properly licensed by the State of California to perform the work proposed under these Specifications. Lack of proper license at the time of submission of Proposal will be sufficient cause for rejection of the Proposal.

J. Wages, Materials, and Other Costs

It is the responsibility of the Proposer to calculate the Proposal price to take into consideration a possible escalation of wages, materials, and other costs during the contract period. The Board, County, Public Works, District, or Director do not presume what future costs may be or the rate of wages that may become necessary to pay employees of the Contractor for the work performed during the Contract period.

K. Qualifications of Subcontractors

Proposers shall list all subcontractors to be used on the List of Subcontractors form provided. The use of subcontractors shall be according to the provisions of Part II, Section 4, Paragraphs D and G. Subcontractors shall be properly licensed under the laws of the State of California for the type of work which they are to perform. Alternate subcontractors shall not be listed for the same work.

L. Opening of Proposals

Proposals will not be publicly opened.

M. Disqualification of Proposers

More than one Proposal from an individual, firm, or partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that any Proposer has interest in more than one Proposal for the work contemplated will cause the rejection of all Proposals in which such Proposer has interest. If there is reason for believing that collusion exists among the Proposers, none of the participants in such collusion will be considered in this or future Proposals.

N. Proposal Prices and Agreement of Figures

If the total amount arrived at by multiplying the unit price times the quantity does not agree with the total amount entered for the item or if the total amount is not entered,

the unit price and the corrected extension will be considered as representing the Proposer's intentions.

If the total amount is entered for the item, but not the unit price, the unit price will be that which is derived by dividing the total amount proposed for the item by the number of units in the item as representing the Proposer's intentions.

If the items are incorrectly totaled, the corrected total will be considered as representing the Proposer's intentions.

O. Disclosure of Contents of Proposals

All Proposals in response to the solicitation document will become the exclusive property of the County. At such time as Public Works recommends the award of this Contract to the Board and that letter appears on the Board's agenda, all Proposals will become a matter of public record and will be regarded as public records, except those parts of each Proposal which are defined by the Proposer as business or trade secrets, and plainly marked as "trade secret." Designation of all or substantial portions of the Proposal as "trade secret" or inappropriate designation of portions of the Proposal as "trade secret" may result in the Proposal being rejected as nonresponsive. The County will not in any way be liable or responsible for the disclosure of any such records, or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law.

P. Gratuities

It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion, or statement that the Proposer's provision of the consideration may secure more favorable treatment for the Proposer in the award of this Contract or that the Proposer's failure to provide such consideration may negatively affect the County's consideration of the Proposer's submission. A Proposer shall not offer or give, either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of this Contract.

A Proposer shall immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at

(213) 974-0914 or (800) 544-6861. Failure to report such a solicitation may result in the Proposer's submission being eliminated from consideration. Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment or tangible gifts.

Q. Determination of Proposer Responsibility

1. A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the proposed contract. It is the County's policy to conduct business only with responsible contractors.
2. Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.
3. The County may declare a Proposer to be non-responsible for purposes of this proposed Contract if the Board, in its discretion, finds that the Proposer has done any of the following: (1) committed any act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform this proposed Contract with the County or a contract with any other public entity, or engaged in a pattern or practice which negatively reflects on same, (2) committed an act or omission which indicates a lack of business integrity or business honesty, or (3) made or submitted a false claim against the County or any other public entity.
4. If there is evidence that the highest rated Proposer may not be responsible, Public Works will notify the Proposer in writing of the evidence relating to the Proposer's responsibility, and its intention to recommend to the Board that the Proposer be found not responsible. Public Works will provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence which is the basis for Public Works'

recommendation. If the Proposer fails to avail itself of the opportunity to rebut Public Works' evidence, the Proposer may be deemed to have waived all rights of appeal.

5. If the Proposer presents evidence in rebuttal to Public Works, Public Works will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board. The final decision concerning the responsibility of the Proposer will reside with the Board.
6. These terms shall also apply to proposed subcontractors of Proposer on County contracts.

R. Proposer Debarment

1. The Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Proposer from bidding on other County contracts for a specified period of time, not to exceed 3 years, and the County may terminate any or all of the Proposer's existing contracts with County, if the Board finds, in its discretion, that the Proposer has done any of the following: (1) violated any term of a contract with the County, (2) committed any act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform a contract with the County or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.
2. If there is evidence that the highest rated Proposer may be subject to debarment, Public Works will notify the Proposer in writing of the evidence which is the basis for the proposed debarment, and will advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.
3. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or the Proposer's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a proposed decision, which will contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. If the Proposer fails to avail itself of

the opportunity to submit evidence to the Contractor Hearing Board, the Proposer may be deemed to have waived all rights of appeal.

4. A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board will have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
5. These terms shall also apply to proposed subcontractors of Proposer on County contracts.

Failure by Contractor to comply with provisions of this clause will be grounds for immediate cancellation of this Contract.

K. Consideration of Hiring GAIN Employees

Should the Contractor require additional or replacement personnel after the effective date of this Contract, Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program who meet Contractor's minimum qualifications for the open position. The County will refer GAIN participants by category to the Contractor.

L. Notice to Employees Regarding the Federal Earned Income Credit

Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

M. Consideration of Hiring County Employees Targeted for Layoffs

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified permanent County employees who are targeted for layoff or qualified former County employees who are on a reemployment list during the life of this Contract.

SECTION 5

TERMINATION OF CONTRACT

A. Unsatisfactory Service

Public Works reserves the right to cancel these services, upon giving 14 days' written notice, if the services are deemed unsatisfactory in the opinion of the Director.

B. Convenience

It is not the intent of the County to terminate this Contract before the completion of all items except for sound business reasons of which the County shall be the sole judge, however, and notwithstanding:

1. The County reserves the right to renegotiate the terms of this Contract to reduce the Contractor's compensation in the event such reduction is necessary, in the sole discretion of the County, to achieve County budget reductions. Nothing in this paragraph is intended to diminish the County's right to terminate this Contract as provided herein.
2. The County may at any time terminate this Contract, or any portion thereof, without liability (except as hereinafter provided) by delivering to the Contractor written notice specifying the desired termination date at least 30 days in advance thereof.
3. If this Contract is terminated, the Contractor shall, within 30 days of the Notice of Termination, complete those items of work which are in various stages of completion which the Director determines are necessary to bring the work to a timely, logical, and orderly end. Reports, samples, and other materials prepared by the Contractor under this Contract shall be delivered to the County upon request and shall become the property of the County.

C. Termination for Noncompliance with Child Support Requirements

Contractor shall maintain compliance with requirements of County's Child Support Compliance Program as certified in the Contractor's Child Support Compliance Program Certification and as set forth in this Contract. Failure of the Contractor to maintain compliance with these requirements will constitute a default under this Contract. Failure to cure such a default within 90 days of notice by the County shall be grounds upon

which the County may give notice of termination and terminate this Contract.

D. Termination Claim

If this Contract is terminated, the Contractor shall, within 60 days after the Notice of Termination, submit to the County its termination claim.

Subject to the provisions of the paragraph immediately below, the County and the Contractor shall negotiate an equitable amount to be paid the Contractor by reason of the total or partial termination of work pursuant to this clause, which amount may include a reasonable allowance for profit on services rendered, but shall not include an allowance on services terminated. The County will pay the agreed amount provided that such amount shall not exceed the total funding obligated under this Contract, and reduced by the amount of payments otherwise made, and as further reduced by this Contract price of services not terminated.

Failure of the Contractor to submit its termination claim and invoice within the time allowed, the County may determine, based on information available to the County, the amount, if any, due to the Contractor in respect to the termination, and such determination shall be final. After such determination is made, the County will pay the Contractor the amount so determined.

PART III

STANDARD TERMS AND CONDITIONS

LOS ANGELES COUNTY SERVICES CONTRACTS

A. Limitation of the County's Obligation Due to Non-appropriation of Funds

1. The County's obligation is payable only and solely from funds appropriated for the purpose of this Contract.
2. All funds for payments after June 30 of the current fiscal year are subject to the County's legislative appropriation for this purpose. Payments during subsequent fiscal periods are dependent upon the same action.
3. In the event this Contract extends into succeeding fiscal year periods, and if the governing body appropriating the funds does not allocate sufficient funds for the next succeeding fiscal year's payments, then the affected equipment and/or services shall be terminated as of June 30 of the then current fiscal year. The County shall notify the Contractor in writing of such non-allocation at the earliest possible date.

B. Nondiscrimination in Employment

The Contractor shall ensure that qualified applicants are employed, and that employees are treated during employment without regard to their race, color, religion, ancestry, national origin, age, condition of physical or mental disability, marital status, political affiliation, sexual orientation, or gender. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection of training, including apprenticeship.

The Contractor shall deal with its subcontractors, bidders, or vendors without regard to, or because of, race, color, religion, ancestry, national origin, age, condition of physical or mental disability, marital status, political affiliation, sexual orientation, or gender.

The Contractor shall allow the County representative access to its employment records during regular business hours to verify compliance with the provisions of this section when so requested by the County.

If the County finds that any of the above provisions have been violated, the same shall constitute a material breach of contract upon which the County may determine to cancel, terminate, or suspend this Contract. While the County reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated State or Federal antidiscrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the antidiscrimination provisions of this Contract.

The parties agree that in the event the Contractor violates the antidiscrimination provisions of this Contract, the County shall, at its option, be entitled to a sum of \$500 pursuant to California Civil Code Section 1671 as liquidated damages in lieu of canceling, terminating, or suspending this Contract.

C. Assignment

This Contract, or any interest therein, including any claims for monies due or to become due with respect thereto, may only be assigned upon the written consent of the Director and any prohibited assignment shall be null and void. Any payments to any assignee of any claim under this Contract, in consequence of each consent, shall be subject to set-off, recoupment, or other reduction for any claim which the County may have.

D. Assurance of Compliance with Civil Rights Laws

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000e through 2000e(17), to the end that no person shall, on the grounds of race, creed, color, gender, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

E. Compliance with Laws

1. The Contractor agrees to comply with all applicable Federal, State, and local laws, rules, regulations, or ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference.
2. The Contractor agrees to indemnify and hold the County harmless from any loss, damage, or liability resulting from a violation on the part of the Contractor of such laws, rules, regulations, or ordinances.

F. Covenant Against Contingent Fees

1. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.
2. For breach or violation of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from this Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

G. Governing Laws

This Contract shall be construed in accordance with and governed by the laws of the State of California.

H. Termination for Improper Consideration

County may, by written notice to Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, County shall be entitled to pursue that same remedies against Contractor as it could pursue in the event of default by the Contractor.

Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 554-6861. Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment or tangible gifts.

I. Notice of Delays

Except as otherwise provided herein, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within five days, give notice thereof, including all relevant information with respect thereto, to the other party.

J. Record Retention and Inspection

The Contractor agrees that the County or any duly authorized representative shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, time cards, or other records relating to this Contract. Such material, including all pertinent costs, accounting, financial records, and proprietary data, shall be kept and maintained by the Contractor, at a location in Los Angeles County, for a period of five years after completion of this Contract unless the County's written permission is given to dispose of material prior to the end of such period.

K. Validity

The invalidity in whole or in part of any provision of this Contract shall not void or affect the validity of any other provision.

L. Waiver

No waiver of a breach of any provision of this Contract by either party shall constitute a waiver of any other breach of said provision or any other provision of this Contract. Failure of either party to enforce at anytime or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The remedies herein reserved shall be cumulative and additional to any other remedies in law or equity.

M. Default for Insolvency

1. The County may cancel forthwith this Contract for default in the event of the occurrence of any of the following:
 - a. Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts in the ordinary course of business or cannot pay its debts as they become due, whether it has committed an act of bankruptcy or not, and whether insolvent within the meaning of the Federal Bankruptcy Law or not.
 - b. The filing of a voluntary petition to have the Contractor declared bankrupt.
 - c. The appointment of a Receiver or Trustee for the Contractor.
 - d. The execution by the Contractor of an assignment for the benefits of creditors.

2. The rights and remedies of the County provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

N. Default

1. The County may, subject to the provisions of Paragraph 3 below, by written notice of default to the Contractor, terminate the whole or any part of this Contract in any one of the following circumstances:
 - a. If the Contractor fails to perform the services within the time specified herein or any extension thereof; or
 - b. If the Contractor fails to perform any of the other provisions of this Contract, or so fails to make progress as to endanger performance of this Contract in accordance with its terms, and in either of these two circumstances does not cure such failure within a period of 10 calendar days (or such longer period as the County may authorize in writing) after receipt of notice from the County specifying such failure.
2. In the event the County terminates this Contract in whole or in part as provided in Paragraph "a" above, the County may procure, upon such terms and in such manner as the County may deem appropriate, services similar to those so terminated, and the Contractor shall be liable to the County for any excess costs for such similar services, provided that the Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this clause.
3. Except with respect to defaults of subcontractors, the Contractor shall not be liable for any excess costs if the failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor.

Such causes may include, but are not restricted to acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of the Federal or State government in its sovereign capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the negligence of either

of them, the Contractor shall not be liable for any excess costs for failure to perform, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery schedule.

4. If, after Notice of Termination of this Contract under the provisions of this clause, it is determined for any reason that the Contractor was not in default under the provisions of this clause, or that the default was excusable under the provisions of this clause, the rights and obligations of the parties shall be the same as if the Notice of Termination had been issued pursuant to the Termination for Convenience of the County clause above (see Part II, Section 5).
5. The rights and remedies of the County provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
6. As used herein, the terms "subcontractor" and "subcontractors" mean persons, companies, corporations, or other organizations furnishings supplies, services of any nature, equipment, or materials to Contractor, at any tier, under oral or written agreement.

O. Disclosure of Information

The Contractor shall not disclose any details in connection with this Contract to any party, except as may be otherwise provided herein or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publicizing its role under this Contract within the following conditions:

1. The Contractor shall develop all publicity material in a professional manner.
2. During the course of performance of this Contract, the Contractor, its employees, agents, and subcontractors shall not publish or disseminate commercial advertisements, press releases, opinions or feature articles using the name of the County without the prior written consent of the Chief Administrative Officer and County Counsel. The County shall not unreasonably withhold written consent and approval by the County may be assured in the event no adverse comments are received in writing within two weeks after submittal.

3. The Contractor may, without prior written permission of the County, indicate in its proposals and sales materials that it has been awarded a Contract to provide these services, provided that the requirements of this Article shall apply.

P. Notification

1. Notices desired or required to be given under these Specifications, Conditions, or Terms herein or any law now or hereafter in effect may, at the option of the party giving the same, be given by enclosing the same in a sealed envelope addressed to the party for whom intended and by depositing such envelope with postage prepaid in the United States Post Office or any substation thereof, or any public box, and any such notice and the envelope containing the same shall be addressed to the Contractor at its place of business, or such other place as may be hereinafter designated in writing by the Contractor. The notices and envelopes containing the same to the County shall be addressed to:

Assistant Director
County of Los Angeles Department of Public Works
P.O. Box 1460
Alhambra, CA 91802-1460

2. In the event of suspension or termination of this Contract, notices may also be given upon personal delivery to any person whose actual knowledge of such suspension or termination would be sufficient notice to the Contractor. Actual knowledge of such suspension or termination by an individual Contractor or by a copartner, if the Contractor is a partnership; or by the president, vice president, secretary or general manager, if the Contractor is a corporation; or by the managing agent regularly in charge of the work on behalf of said Contractor shall in any case be sufficient notice.

Q. Notice to Employees Regarding the Safely Surrendered Baby Law

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in the Attachments to this Contract and is also available on the Internet at www.babysafela.org for printing purposes.

R. Contractor's Acknowledgment of County's Commitment to the Safely Surrendered Baby Law.

The Contractor understands that it is the County's policy to encourage all County contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.
